FINAL ACTION – CHIDSEY MATTER
JUNE 24, 2022

- **Chidsey Matter:** The court quashed the Board Order of November 19, 2021. Mr. Kaufman subsequently contacted the State of Florida – Division of Retirement for guidance. Mr. Kaufman was informed the State would not withhold Chapter 185 funds if the third change to designate a beneficiary was granted. Both Mr. Chidsey & Mr. Coffey were provided an opportunity to address the Board. Mr. Strauss passed the gavel to Mrs. Marano and made a motion to grant the third change request to change his beneficiary as long as the State of Florida does not withhold the Chapter 185 funding over this matter. The motion was seconded by Mr. Marano. All board members voted yes.
