SUBJECT: Ordinance Change - Recalculation Process
DATE: February 20, 2019

First and foremost, congratulations on the passage of what can only be described as a long and tedious process.

I am writing in an effort to set forth our internal action plan in recalculating benefits, as a result of the change of the ordinance.

Members will be addressed as follows:

- Members leaving the agency at once will be top priority¹.
- Active RPRB Members (transitioning to DROP) will be addressed from the earliest date of entry (January 2012) into the PRB/RPRB to the latest entry date.
- Members entering the DROP as a result of years of service and age will be addressed on an as needed basis.

It took nearly 8 years to get to this point and it will not be resolved overnight. But, I pledge that I will do my best to process all personnel as soon as possible.

If you have any questions or concerns, please let me know.

Respectfully,

**David M. Williams, *Plan Administrator*
FOR THE BOARD**
