Dear Retired Hollywood Police Department Members:

I was truly touched by all the telephone and e-mail messages received in the last few days congratulating me for my recent appointment to Interim Police Chief of this wonderful Police Department. I am overwhelmed with the support and encouragement that I received in these messages, many of them from retired members of the Hollywood Police Department. I have always recognized the importance of maintaining a connection to the Agency that many of you have devoted decades of service to and hope to have the same sense of camaraderie when I choose to retire and enjoy my life as each and every one of you seem to be.

As you know, I have served my entire career with the Hollywood Police Department which has allowed me to work with and know many of you on a personal basis. I believe working in this environment with many of you will ultimately provide me with the experience and guidance to lead this great Police Department in the future. In the meantime, I wished to acknowledge how important the support of the alumni of this great organization means to me and I will do everything within my power to continue your sense of pride in our organization.

With Heartfelt Thanks,

CHADWICK E. WAGNER
Interim Chief of Police
